CAMP COORD. AND CAMP MANAGEMENT ACTIVE SERVICES

CCCM services includes registration, sensitization, sanitation, shelter allocation, service/intervention advocacy, coordination meetings, referrals and complaints and feedback mechanism.

GAPS

The CCCM partners in Bama, Ngala and Pulka are raising concerns of over congestion of the RCs. Advocacy should be done at the sector level to have response to the existing gaps analysis in the reception center.

FOOD SECURITY (FS) ACTIVE SERVICES

Food security services include wet feeding, general food distribution and cash based transfer.

NUTRITION ACTIVE SERVICES

Supplementary Feeding for children, malnourished children, pregnant and lactating mothers, and Screening for malnourished children.

GAPS

There are cases of malnutrition observed in Banki and Bama. In Monguno, a nutrition partner needs to support the beneficiaries with supplementary feeding to the children, pregnant women and lactating women.

HEALTH ACTIVE SERVICES

Medical screening, referrals, vaccination, immunization, distribution of essential medicine in all RCs.

GAPS

No functional primary health care is available in Gwoza and Monguno reception centres. There is a need for secondary health care in Bama, Banki, Dikwa, Pulka, Gwoza, Monguno, and Ngala.

PROTECTION ACTIVE SERVICES

Protection services include Legal Documentation, Gender Based Violence (GBV) services, general protection services, referrals, vulnerability screening, child protection services and mental health and psychosocial support (MHPSS) services.

GAPS

Legal aid is required in Ngala, Pulka, and Dikwa. In Ngala, a partner for GBV activities is required.

WATER, SANITATION AND HYGIENE (WASH) ACTIVE SERVICES

WASH services include construction of latrines and showers, distribution of sanitation materials, dislodgement of latrines/solid waste, chlorination of water, hygiene promotion and maintenance of WASH facilities.

GAPS

There is urgent need to upgrade water source around sanitary facilities baths/latrines in Banki, Monguno, Ngala, Gwoza and Dikwa. Bama and Pulka each have four damaged latrines. WASH activities are required for new arrivals in Bama.
