# **SOUTH SUDAN | CAMP COORDINATION AND CAMP MANAGEMENT CLUSTER**

**SITE PROFILE** 

**Juba IDP Camp 1** December 2021

### **Context**

Juba IDP Camp 1 Site was established in 2014 with over 7,289 people currently seeking protection from armed conflict in the site. Fourteen blocks currently exist in the camp with over 2,146 households.

### **Site demography**

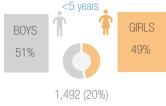

Total IDPs

BOYS

51%

Age and sex disaggregated data

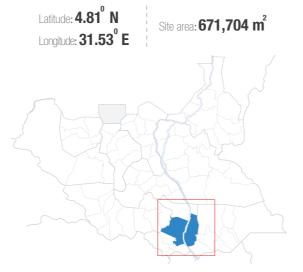

Population count as of December 2021

### **Quarterly Highlights**

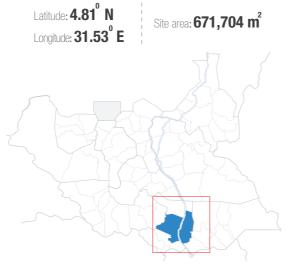

- 1. Monitor service provision in the sites and flag any duplication or gaps in service
- 2. Continue to conduct key messaging on Covid-19 preparedness and awareness. 3. Monitor the trend of movement to understand return dynamics
