2024 Q4 (October - December) Displacement Update - NWS

This report covers northwest Syria region for the period from October to December. Data was collected from 892 accessible communities in Greater Idlib and Northern Aleppo governorates through KIs. In the fourth quarter over 51,000 people were displaced in Idlib and Aleppo, particularly from Atareb, Idlib, Jisr-Ash-Shugur, and Daret Azza due to access to money to pay for movement, escalation of ground based conflict, reduced access to humanitarian assistance, increase in rental cost, loss of income and change in administering governing authorities. Majority of the affected population arrived to Atareb, Idlib, Dana, Janudiyeh, Maaret Tamsrin, and Daret Azza sub-districts.

Disclaimer:

- 1.Displacements in north-west Syria (NWS) is highly fluid; IDP figures are rapidly changing due to dynamic environment and movements between sites and communities.CCCM will continue updating figures - quarterly.
- 2.Returnees: refer to internal IDP movements from displacement sites to their homes or habitual residences in NWS.
